SIV/SIT Authorizations

It is our hope that you are playing these videos in your drivers rooms on a continuous loop. This will help us to continue our fight against eliminating Government penalties.

Once you have reviewed the new video, should you have any questions regarding SIV/SIT Authorizations, please do not hesitate to contact Atlas Government & Corporate Services. They will be more than willing to get answers to any of your questions.

Please remember, should you find a situation unravelling that is uncomfortable, be sure to document any communications, and ask for direction from Atlas head office.

Let's all do what we can to eliminate future Government penalties!

Sincerely.
