Federal Government Hauling Rebate

TO: All Atlas Van Lines (Canada) Ltd. Agents
RE: Federal Government Hauling Rebate

Ladies & Gentlemen,

For the second year, I am delighted to advise you will be in receipt of your share of the government hauling rebate this week. The total pool was close to \$800k for 2024. Well done!

As a reminder, the rebate is based on the percentage of government weight hauled by your Agency to the total government weight serviced.

We do apologise for running behind this year. The funds will be on your statement this **Friday February 21, 2025**.

Feel free to contact me with any questions.
