Workers Compensation Requirements

Good Afternoon,

Friendly Reminder: As part of contractual requirements with Atlas Canada, it is imperative Worker's Compensation files remain current.

All Agents, regardless of domicile must provide Atlas Canada with copies of their WSIB certificates on a **quarterly basis**, or as issued by the province/territory in which they are located.

It is vital that Atlas Canada has a **current copy** of your Clearance Certificate or account status on file.

As this is an ongoing program, please be advised that once your current certificate expires, a renewed certificate should be emailed to our office.

Please scan and e-mail your current certificate to myself at backcheck@atlasvanlines.ca

*****Please be sure to include your agency name and agency number in the email.*****

To assist in your **full** compliance with Atlas Canada's Worker's Compensation requirements, listed below are the governing bodies for each province/territory that will need to be contacted in order to obtain clearance certificates.

If Atlas Canada already has a current copy of your clearance certificate or the equivalent, please disregard this email.
