To Our Valued Customers,

Mover Packaging has received price increase announcements from various suppliers due to the rising costs of raw materials. Accordingly, we are notifying our customers of a price increase for the following products effective on all orders placed June 1, 2025 onward:

- Corrugated Products – 7%
- Plastics and Stretch Film – 9%

We understand that increase announcements are not ideal and we continue to look for solutions to keep costs down. The entire Mover Packaging team appreciate your business and will continue our long-term commitment to provide the best packaging solutions, quality products and value adding services at competitive prices.

Thank you for your continued support!
