PEACE OF MIND BEGINS WHEN YOU CHOOSE ATLAS CANADA

An area of concern for many families who are moving is not knowing the personnel who will be involved in their physical move. After all, moving is a time when many people will enter your home, all with access to your possessions. The safety of our customers and their belongings is a top priority for Atlas.

To give you peace of mind, Atlas Canada implemented the first nationwide background check program called No Stranger In Your Home®.

HOW THIS PROGRAM WORKS:

- All Atlas personnel are criminally background checked and cleared for service.
- Atlas has partnered with Sterling Backcheck to complete the screening process.
- We ensure that Atlas Canada movers hire employees who meet our standards.
- All Atlas personnel will carry a photo ID badge containing a Backcheck number you can verify.

NOW THAT'S PEACE OF MIND...
